COUNTY OF VULCAN No. 2

W. OF 4 MER.

Shown above is a map of the new County of Vulcan No. 2, with boundaries as finally established. The County includes approximately forty townships. Areas outlined with the solid black line and numbered from 1 to 9 are the nine divisions into which the county is divided. The broken line represents the main highway. Numbers at the side and bottom of the map denote townships and ranges.

Canada Marksmen To Compete

Some Canadian farm boy who has an unerring aim with a .22 may have the chance to become a world champion rifle shot at the next Olympic games in 1952 in Helsinki, Finland.

This is the hope of K. N. Morris, executive director of the Canadian Civilian Association of Marksmen, who announces that the Canadian Olympic Association has allotted three places for marksmen on its team for next year's Olympiad. It will be the first time in 20 years for shooters to be included on a Canadian Olympic team.

Mr. Morris expects stiff competition across Canada for the three places allotted on the team. He estimates there are some 25,500 recreational shooters in the country today—almost double the number three years ago. Of these some 20,000 use the .22 rifle; 2,000 pistols and revolvers and 6,500 trap and skeet (shot guns). There are 585 clubs devoted to .22 shooting; 61 to pistol and revolver and 325 to trap and skeet.

Stressing the value of supervised target shooting, he said that to his knowledge not one member of the Canadian Civilian Association of Marksmen was involved in a hunting accident during the past season, thus keeping the organization's unmarred safety slate clean for another year.

County Council Election Feb. 22

In last week's issue a story dealing with the institution of the county system of government in this area gave the date of election day as Feb. 25. This was a typographical error, of course, as Feb. 25 falls on a Sunday, and the correct date is Thursday, Feb. 22.

Nomination day is Thursday, Jan. 25, when nominations will be received for councillors from each of the nine divisions in the County of Vulcan.

Midgets Lose First Hockey Game

The Vulcan Midget hockey team suffered an 8 to 2 defeat in their first appearance of the winter when they met the Nanton Juveniles on the latter's ice on Monday night. The Nanton club fielded a strong line-up which showed speedy breakaways, good team work and good netminding. The local sextet were slower and inclined to be disorganized but lacked nothing in keenness. Play indicated that a third line of forwards was needed.

In the first period Young scored twice for Nanton while in the closing minutes Hansell scored on a pass from R. Buehler.

In the second frame Nanton increased their lead with goals by Rousseau and Cook.

In the final Hardwick scored on a pass from Rousseau; Hiltz scored for Vulcan on a pass from R. Buehler and Wier, MacKenzie and Ellington each registered a tally for Nanton.

Five Competitions and Good Prizes

Third Annual Bonspiel To Be Held Next Week

Vulcan's third annual men's bonspiel will get underway next Monday morning, Jan. 15, and continue all week through to Saturday.

There will be four main events plus a round robin for the grand prize and a consolation event. The four main competitions will be supported by four sets of good prizes and all rinks reaching the finals in the first four events will be eligible for the playoff for the grand prize. Entry fees are \$32.00 per rink and entries should be given to Stan Scates, bonspiel secretary, not later than Jan. 13.

Prizes in the first event are four travelling bags, four tri-light lamps, four pen and pencil sets and four smoking stands.

Second event prizes: Four easy chairs, four electric irons, four pen and pencil sets and four bath-room scales.

Third event prizes: Four electric radios, four sports jackets, four pen and pencil sets and four lamps.

Fourth event prizes: Four electric razors, four radios, four pen and pencil sets and four cameras.

The grand prize for the round robin will be four sets of silverware and prizes in the consolation event will be four sweaters and four blankets.

Accommodation is guaranteed for curlers from other points and many rinks of local curlers will also be participating.

Four Lions Clubs Participate

Carmangay Curlers Win First Annual Lions 'Spiel

The first annual Lions bonspiel of this district, held at Vulcan on Wednesday, Jan. 10, resulted in the Carmangay Lions Club winning the trophy. A total of 12 rinks competed, three from each of the Lions Clubs of Barons, Carmangay, Champion and Vulcan.

Each rink played two games and total points counted in determining the winning club. The final tally showed the Carmangay rinks with a total of 77 points, Vulcan with 70, Champion with 63 and Barons with 50.

Skips and the total points gained by their rinks in the two games they played, were as follows:

Roemelle (Carmangay) 29; McAskle (Vulcan) 28; Nicol (Vulcan) 26; Miller (Carmangay) 25; Kacher (Champion) 24; Hubka (Carmangay) 24; Marks (Champion) 22; Waite (Barons) 19; Dawson (Champion) 17; Gareau (Barons) 17; Burrell (Vulcan) 16; Asplund (Barons) 14.

Following the 'spiel, members of the local Lions Club and the visiting curlers enjoyed a chop suey supper in the Oddfellows hall, with the presentation of the trophies taking place at that time.

The average expectancy of human life can be extended by suitable variety and amount of food as well as by elimination of prevalent communicable diseases.

Council Approves Building Permits

Only routine business occupied the attention of the town council at the regular meeting held Monday evening.

Building permits were granted to Dave Schierman for the construction of a house 28-x 36 at an estimated cost of \$6,000 and to the Evangelical United Brethren Church to move a building to Lot 3, Block 29, to serve as a church.

The date of the annual meeting was set for Monday, Feb. 12, with nomination day on Feb. 19 and elections Feb. 26. Mrs. Edna M. Farr was appointed Returning Officer.

H.S.A. To Study Local Resources Youth Recreation

Community resources and activities for school age children will be the subject of a survey by the Home and School Association at their regular meeting to be held in the Legion hall on Tuesday, Jan. 16 at 8 p.m.

Results of the survey will show whether or not there is an actual need for a committee on this matter and will serve to focus the attention of local residents on such community resources and activities.

A musical program will also be presented at the meeting.

Juveniles Win Over Claresholm

The Vulcan juvenile hockey team defeated the Claresholm Midgets by a score of 7 to 1 in an exhibition game played on the Vulcan ice Friday night before a small crowd. Tied 1 to 1 at the end of the first period, the heavier Vulcan sextet took a two goal lead in the second and rapped in four more tallies in the final frame. It was the first game of the season for both teams and while play was about even, the visitors were the faster skaters but the local squad had much better finish in the scoring area and were backed by the splendid net-minding of Bob Clayton.

In the first period Kanute scored on a pass from R. Buehler at the 7 minute mark while A. Power scored Claresholm's lone tally of the game at the 13 minute mark on a pass from Rose.

In the second period R. Buehler scored on a pass from J. LaRoche at 9:10 and R. Buehler scored on a rebound at 11:30. Don Mitchell drew two penalties for illegal checking.

In the final period David Mitchell scored at the 30 second mark on a pass from Rishauge; Jordan from Mahoney (10:10); J. LaRoche from R. Buehler from Kanute (17:20) and Kanute from LaRoche (18:00). Miller drew the only penalty of the period.

Life-ups:

CLARESHOLM: Linn, B. Miller, K. Rose, J. Powers, A. Foxcraft, B. Lamb, H. Seymore, Neale, Simpson, S. Craig, Fisher Whitehead, and London.

VULCAN: Bob Clayton, Don Mitchell, L. Kanute, R. Buehler, D. Buehler, M. Mahoney, D. Marks, R. Rishauge, K. Jordan, David Mitchell, R. Steeves, S. Mainland, M. Jordan and J. LaRoche.

Diabetes is recognized by the finding of sugar in the urine and an increase of sugar in the blood, often accompanied by symptoms such as loss of weight and strength, weariness, increased hunger, unusual thirst, and blurred vision.

Members of the United Nations Secretariat in Korea were among the first to contribute to U.N. Blood Bank No. 406, operated by Red Cross volunteers. Two U.N. donors are shown here with Red Cross nurses watching their colleague make her contribution. The Blood Bank was organized last July in the space of six hours by 36 women of seven different nationalities to meet emergency needs.

Versus Godlessness

Some months ago we heard it suggested that war with Russia, if and when such a holocaust occurs, would start as a battle between ideologies or as a defensive fight to prevent the world from being gobbled up by Moscow. After that, it could develop rapidly into a struggle between believers in God and the godless.

This opinion was underscored sharply by the Archbishop of York's recent declaration that Christianity must not only take its part in saving the world from a threat of unprecedented horror, but that it was Christianity's duty to strengthen itself to offset the advance of Communism.

In calling for non-stop propaganda of the ideals for which western style democracy stands, Dr. Cyril Garbett warned that full scale war breaking upon unprepared Europe would engulf the Old World in an age far darker than the one Christendom emerged from slowly nine hundred years ago.

Dr. Garbett is right, Christianity and a true conception of democracy are vital in warding off creeping Communism which, in the words of the Canadian Congress of Labour's declaration of positive economic philosophy, "promises freedom of religion while persecuting all religions, and God is replaced by Stalin."

Certainly economic health, adequate manpower, defensive and offensive material and control of inflation are of prime importance in the political and economic battlefields, but the struggle can be lost if we fail to resist on the moral and spiritual fronts. The churches, Protestant, Roman Catholic and Jewish, and the spiritual leaders of our day understand the danger from the militant godless, but do the people who go to church on Sunday understand it?

Communism is as much a religion as Christianity, but one of the big differences between the two is that Communists are fanatical in the propagation of their doctrine. Religion was to Marx the "opiate of the masses," but the men who have translated his teachings into action have fed the masses with a much more powerful and, unfortunately, debilitating drug—worship of the state.

Christians must understand this. They must also understand that, although wishful thinkers say that thousands of people behind the Iron Curtain worship God in secret and pray for the day their masters will be overthrown, it's a safe bet that the Red Army soldiers, numbering not thousands, but millions of young men indoctrinated with militant atheism, are sufficiently worshippers of the state to move when Stalin gives the order.

But would destruction of the Red Army destroy the philosophy, or religion, of Communism?

The answer is "no". The only way to destroy Communism is for those of us who profess to be Christians to propagandize our own belief in a Christian democracy and put into practice the principles to which we pay lip service when we attend church. Failure to do so will result in victory for Communism by default, Red Army or no Red Army—"Industry."

CHRYSLER METHOD

REMANUFACTURED ENGINES ARE New AND Different

HERE'S WHY

• They're precision-built to Chrysler factory standards in plants designed and supervised by Chrysler Corporation engineers.

• All parts which fail to meet rigid Chrysler specifications are replaced with new factory-approved parts.

• All engines have NEW crankshafts—there's no regrinding.

• Special Chrysler production-type gauges check tolerances as closely as one ten thousandth of an inch.

• All engines are dynamometer tested to the same standards as those applied to new Chrysler-built engines.

Mrs. Barbara Enright

Her many friends here were saddened at the news received of the death of Mrs. Barbara Enright who passed away in hospital at Vancouver, B.C. New Year's Eve, Dec. 31, in her 74th year.

Mrs. Enright had gone to the Coast City to be near her son, John, just a few weeks ago following a three week hospitalization period in the Carmangry hospital.

A former old-timer of the Railway district, she and her husband, the late, Joseph J. Enright who predeceased her five years ago, came from Chicago, Illinois, in 1910. Mrs. Enright moved to Champion about four years ago where she made her home, until going to Vancouver. She was a valued active member of the Women's Association of the Champion United Church and will be greatly missed by the Association and her many friends.

Left to mourn her passing are two sons: John A. of Vancouver, C. James of New York and one grandchild.

The private funeral was held from Chapman's Funeral Home and Rev. George Turpin officiated at the service at the Vancouver Crematorium, Tuesday, Jan. 2, at 11 a.m.

FEDERAL LICENSING

FOR PROFESSIONS

Appropos of the controversy over the Alberta government move to take over licensing of the pro-

fessions, The Financial Post editorially suggests that if governments are to enter this field it should be the federal authority. Argues The Post:

"Measles are measles, whether they occur in New Brunswick or British Columbia, and require the same care. Two and two make four in Newfoundland as readily as Ontario. And the same formula can be employed to design a rivet in Manitoba as in Nova Scotia."

"Why shouldn't all doctors, accountants, engineers and other professional workers be licensed on a national basis, have freedom to move around, practise where they like?"

"Canada would benefit from domestic free trade in talent."

Don't forget... your Christmas. Seal dollars are still needed.

NOTICE

ALL GASOLINE PUMPS in Champion will close at 6:30 p.m. on week-days, excepting Saturdays, and with the further exception that one (1) Garage or Service Station each week (as noted below) will remain open until 8 o'clock each evening, all day on public holidays and Wednesdays, and on Sundays from 10 a.m. to 12 noon and 1 p.m. to 4 p.m.

Government Business Is Your Business

Our way of life leads us to believe that some measure of comfort, security and contentment is a natural right, whether we are employable or not, whether we are approaching the end of a useful life, whether an orphan, widow or blind.

Your Department of Welfare through the branches outlined below, is constantly trying to improve the services and benefits rendered, to achieve the best possible social democracy.

OLD AGE PENSIONS: First introduced in 1929, the maximum old age pension now payable in Alberta under Dominion-provincial agreement is \$40. In addition, the province makes a supplementary allowance of \$10 per month to all pensioners of Alberta residing in the three western provinces and provides hospital, medical, dental and optical services free to all pensioners and dependents. Pensions are paid to the blind at 21 years of age.

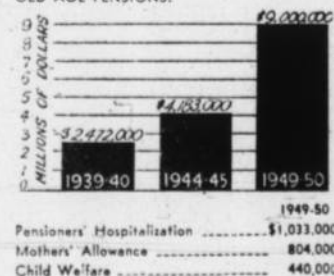

MOTHERS' ALLOWANCES: Aid is provided by this Branch to needy widows, wives of persons committed to a mental hospital, and to women who have been deserted; who have children under the age of 16 years, or under the age of 18 years if attending school and making satisfactory progress. Hospitalization and treatment services for all recipients and dependents are provided by the province free.

CHILD WELFARE: All children who become wards of the Government by Court Order, or by Agreement or Indenture, come under the control of the Child Welfare Commission. It is the policy of the Commission to have such children placed as soon as possible in ap-

proved foster homes, where they may have the advantages of being brought up as members of a family group, thereby giving them the opportunity of later becoming permanent members of the family through legal adoption.

PUBLIC ASSISTANCE: The council of every municipality is authorized to make provision for the maintenance or partial maintenance of its indigent residents and for their care and treatment when sick.

OLD AGE PENSIONS:

Pensioners' Hospitalization \$1,033,000
Mothers' Allowance 804,000
Child Welfare 440,000

Deputy Minister

WE ARE PLEASED TO ANNOUNCE THE APPOINTMENT OF

MORRISON'S SERVICE**VULCAN****ALBERTA****Authorized "NA-CHURS" LIQUID FERTILIZER Dealer**

IDEAL STARTER, BOOSTER AND SUPPLEMENTAL FERTILIZER

Your crops need fertilizer. Steady farming depletes the natural plant food in the soil. Commercial fertilizers replace it. "Na-Churs" goes to work under all weather conditions. So, the easiest way to provide the initial food your crop needs is with "Na-Churs" Liquid Fertilizer. Whether you are a grain grower or market gardener, you can use "Na-Churs" without expensive additional equipment; seed treated with "Na-Churs" can be used in ordinary seeding drills.

HELPFUL IN COLD SPRING WEATHER

Nitrogen in manure and organic matter is not readily available in the cold weather of early spring. But "Na-Churs" Liquid Fertilizer feeds the plant right from the start! It is a supplemental fertilizer solution used as a starter and booster and seems to encourage earlier emergence and develops a stronger root and top growth in the earlier stages. With the plant having a stronger root system it can then draw the maximum benefit from the plant food in the soil.

NOTED AGRICULTURAL AUTHORITY SAYS...

Dr. V. A. Tiedjens, Director, Virginia Truck Experiment Station, Norfolk, Virginia, says: "When seed is soaked in a solution containing nitrogen, phosphoric acid, potash, magnesium, calcium, manganese, boron and others you have a chance of getting increases in yield from 10 to 300 per cent. This is based on experimental results. A small amount of plant food material is available to the seed as soon as it germinates. A little stimulation that could force the seedling ahead 3 or 4 days might mean a big difference in yield at harvest time."

HIGHLY REFINED CHEMICALS USED

"Na-Churs" is a quality fertilizer made from completely soluble, more refined and expensive materials which provide immediate nourishment for all plants under all weather conditions.

PROVE IT TO YOURSELF

As little as one drum of "Na-Churs" will tell the story. The cost is little and if it will increase your yield, it is too good to pass up. Try it... YOU be the judge. See your "Na-Churs" dealer today.

Hurnanen-Johnson

A pretty wedding of interest to both Carmangay and Burnwell districts was solemnized in the Lethbridge L.D.S. Church on Dec. 27 at 5 p.m., when Lila Sylvia, elder daughter of Mr. and Mrs. J. Hurnanen and Delbert Sheridan, youngest son of Mr. and Mrs. Wilburn Johnson of Barnwell were united in marriage. Bishop Charles Asplund of the South L.D.S. Ward of Lethbridge performed the double-ring ceremony.

The bride gown in traditional white satin with lace yoke and peplum and embroidered with seed pearls, and wearing a floor length veil with a coronet headpiece set with seed pearls and rhinestones entered the church on the arm of her father who gave her in marriage. She carried a bouquet of Calla lilies with red rose centre.

She was preceded by her maid of honor Miss Vada Johnson, sister of the groom. The maid of honor was attired in a floor length gown of mauve lace and broadened satin with matching cap and mittens and carried a cascade bouquet of pink mums and carnations.

Her bridesmaids Irene Smith, wore a floor length gown of Nile green crepe with matching cap and mittens and carried a colonial bouquet of yellow mums and carnations, while Carol Barnes of Calgary was attired in yellow taffeta with matching cap and mittens and carried a colonial bouquet of white mums and carnations.

The bride's young sister Eileen acted as flower girl attired in floor length gown of light blue taffeta while her little brother Roy was the ring bearer.

The groom was attended by Jonas Hurnanen, brother of the bride.

Earl Smith and William Fayter acted as ushers while Mrs. Ralph Johnson, aunt of the groom played the wedding music.

A reception attended by over 60 guests followed at the Marquis Hotel, where the mothers of the bride and groom assisted in receiving the guests. The bride's mother was attired in red plum crepe with a corsage of pink roses and carnations, while the groom's mother wore black crepe with grey trimmings and a corsage of pink roses and carnations.

The centre table attractively decorated with bouquets of white and yellow mums was centred with the beautiful three-tiered wedding cake.

Mr. Dick Davies of Champion proposed the toast to which the groom fittingly responded. Mr. Allan Fowler had charge of the guest book, while Mrs. Blaine Stevens and Mrs. Robert Stevens had charge of the gift table.

In the evening the young couple entertained at a wedding dance in the Community Hall with a large crowd in attendance.

West Country Women's Club

The first meeting of the West Country Women's Club for 1951 was held at the home of Mrs. Keith Clarke with only 4 mem-

bers present. Due to the small attendance no business meeting was held. A social afternoon was enjoyed playing 500, with Mrs. Mary Clarke winning the high score. Mrs. Melvina Roemmele won the raffle. The next meeting on Jan. 17 will be held at Mrs. Roy Craig's. The hostess then served a delicious lunch.

Women's Association

The January meeting for 1951 of the Women's Association was held at Mrs. Bertha Gray's. Sixteen members joined for the coming year. Mrs. Gray, agreed to accept the secretary-treasurer's position for another year. Pollyanas for the coming year were drawn for. A donation of \$5 was sent to the Mountain View Home in Calgary, also soap and jam. A donation of \$10 to the United Church youth training school in British Columbia. Roll call at the next meeting is to be answered by bringing underwear or old clothing to be sent to the Old Man's home at Youngstown, also to give suggestions on methods for raising money.

The next meeting will be held at the home of Mrs. Mina Greene. A letter was read at the meeting, stating that they were not allowed to hold raffles. The hostess then served a delicious lunch.

A Thank You Notice

Mr. and Mrs. Frank Griffin wish to thank their neighbors and friends, who so kindly helped in putting out the fire which started in their chicken house. They especially wish to thank Mr. Allan McLean who first noticed it while flying over their building in a plane.

Canada's Food rules state that eggs and cheese should be included with a meal at least three times a week each.

The Skilled
"Soldier-Tradesmen"
of the R.C.E.M.E.

The workshops of the Royal Canadian Electrical and Mechanical Engineers are expanding rapidly—in step with the growth of the Canadian Army Active Force. The men of the R.C.E.M.E. are doing their part to make Canada strong.

There is an urgent need for skilled tradesmen to man the workshops of this vitally important corps of "soldier-tradesmen". Skilled craftsmen are required to fill the posts of automotive mechanics, fitters, toolmakers, radar and radio technicians, instrument makers, welders, watchmakers, machinists and other key jobs.

If you qualify as a skilled tradesman, there's a place for you in the R.C.E.M.E. You can serve now—when Canada needs you—as an expert "soldier-tradesman".

To enlist in the R.C.E.M.E. you must:

1. Be a Canadian citizen or British subject.
2. Be between 17 and 40 years of age.
3. Be single.
4. Meet Army test requirements.
5. Volunteer for service anywhere.
